## Introduction to Golf: Playing on the Course

### Program Highlights

- This program is geared towards reinforcing what the student learned in Introduction to Golf: Learn to Swing program. You will experience/learn the ins and outs of navigating around the golf course, and learn basic rules-etiquette-safety tips. This program is recommended for the golfer that has taken Diane's Introduction to Golf: Learn to Swing Program or for the golfer that has taken lessons or clinics in the past year. Having golf clubs is recommended, but clubs will be provided if needed. If you have your own clubs make sure you have golf balls and tees in your bag to be used for on course play.
- Program is: 3 Hole on course session/play reinforcing what was learned in the Introduction to Golf: Learn to Swing Program and any other needs of each individual student. You can sign up for one class or as many as you like.
- If you've never played golf, or have played but it's been awhile, Diane recommends starting with the 4-Week Intro to Golf: Learn to Swing Program, then follow up as soon as you can with Intro to Golf: Playing on the Course which will build on what you learned in the Intro to Golf: Learn to Swing Program.
- Please arrive at least 20 to 30 minutes prior to class time to leave you enough time to prepare your golf bag for play on the course, put your golf shoes on, use the restroom, or grab a drink for the golf course.
